

- Pump station
- Compressor station
- Pump- and compressor station
- Water intake
- Shaft for lance
- Control shaft
- Hydrant
- Valve pit
- Safety fuse
- Power cable interruption
- Power supply
- Transformer
- Air-free valve
- Manual drain valve
- Automatic drain valve
- Ecodrain
- Radio
- Gateway
- Network
- Wireless network
- Fibre optic converter
- Repeater
- Meeko station
- Wind gauge
- Meeko station + wind gauge
- PC for Alphas
- SMS for Alphas

- Compressor
- Filter
- Ball valve
- Flow started
- Butterfly valve
- Gate valve
- Pneumatic valve
- Regulation valve
- Motorized valve
- Check valve
- Anzac valve
- Pressure gauge
- Pressure transmitter
- Pressure switch
- Temperature transmitter
- Temperature Trans. Pump
- Temperature Trans. Pump
- Electrical current control
- Flow switch
- Water present switch
- Level transmitter
- Level switch low
- Level switch high
- Water alarm
- Ambient Temperature Trans.
- Air humidity
- Wind direction
- Wind speed
- Frequency drive
- Flow meter
- Pressure reduction valve
- Flow meter
- Automatic back flush filter
- UV irradiation
- Anti flooding check valve
- Over pressure valve

- Compressor
- Ecodrain
- Aquamat
- Filter
- Filter with Ecodrain
- Ambient temperature regulation
- Compressor cooling
- Compressed air cooling
- Compressor manifold
- PHV-pressure holding valve and check valve
- Thermostat
- MD - Exhaust air control fan
- ML - Intake air control fan
- MR - Recirculation air control fan
- MA - Alkaline air control fan

- Legend of cross section of trench
- Условные обозначения для сечения траншеи
- Water line cast iron
- Труба чугунная
- Water line PE
- Труба пластиковая
- Air line
- Воздуховод
- Conduit with data cable
- Труба пластиковая для кабеля управления
- Conduit with optical fiber cable
- Труба пластиковая для оптоволоконного кабеля
- Conduit with power cable
- Труба пластиковая для кабеля силового
- Power cable
- Кабель силовой
- Ground wire
- Кабель заземления
- Warning tape for cable
- Лента сигнальная
